

## HEADACHE CLINIC

Dedicated to the evaluation and care of headache disorders, the Headache Clinic is a unique resource for the general public.

The medical experts use state-of-the-art technology to provide a wide range of services for all types of voice disorders.

**Patients with symptoms of headache will be evaluated by:**

- ❖ Diagnostic nasal endoscopy
- ❖ CT SCAN paranasal sinuses
- ❖ Referral to neurologist or Psychiatrist if indicated

Treatment will include multimodality approach which would ensure a complete comprehensive assessment, timely and accurate diagnosis and optimal treatment for good clinical outcome.

**To make an appointment or learn more about any of services, consult an Ear Nose Throat Specialist.**
